Mark C. Johlke of Bradley University

=====================================================================  

OPTIONAL NCSM SATURDAY EVENING SOCIAL

Straggler’s Dinner

While some folks will leave for home on Saturday, others will remain until Sunday. If you’re one of these “stragglers” then help keep the NCSM spirits going just a little longer by joining with the others for the perfect end to another great sales conference: a really good meal.

Depending on what fine dining options are available and what the crowd finds appealing, once all the final announcements have been made we’ll choose a nice restaurant for a group dinner that night.
